Subject: Stop Work Conference Order

Dana and Jack,

As per today's conference, Beck and Beck may continue to operate as usual, provided you establish a bond of \$8,000 and pay the permit fee of \$150 by the end of business on Monday, February 14, 2011. If the conditions aren't met, the CO will go into effect, and other penalties may apply.

An official, signed order will be sent tomorrow.

Please let me know if you have questions.

Thank you,

Dana Dean, P.E.
